

<u>A Thought From Mark...</u> A Tale of Two Prayers

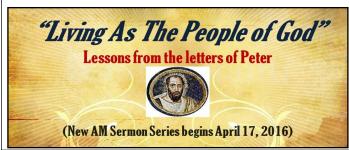

Recently I was blessed to witness two powerful, meaningful prayers. One I heard, the other was silent. One was uttered by an aged man with great vigor and eloquence, the other by a little boy in humility and simplicity.

The first was a prayer led at the OVU Bible Lectureship by a brother named Leon Matheny. Brother Matheny is in the neighborhood of 90 years old, has a hard time getting around with a cane, and appears relatively frail, as one might expect. But man, when he prayed!! One night at the Lectures he led the public prayer, and that prayer certainly shook the courtyards of glory! It was heartfelt, it involved some tears, and it included Scripture. Brother Leon moved us all when he addressed God on our behalf! (By the way, when I heard his named announced – "Leon Matheny" – I was shocked. All I knew about that name was that he at one time way back when preached at my home congregation in Canton, Ohio, and he was the one who married my parents, who have both gone on to their eternal home.)

The second was a silent prayer I witnessed by one of the little boys that worships with us each Sunday. It was during our last youth emphasis service, and the youngster was sitting on the front row. When it was time to pray, he got off the pew and down on all fours, folded his hands, and bent over face to the ground. He was not being silly or disrespectful – quite the opposite. He was being earnest. What an example he was to me that night. The old saying is "Out of the mouths of babes..." But also true sometimes is "Out of the actions of babes...

Isn't it wonderful that prayer is vital to both the youngest and the oldest, and that we can learn about prayer from both ends of the age spectrum? These two prayers exhorted me, who finds himself in the middle of that age spectrum, to take intercession and seeking the face of God more seriously, and so I thank these two servants of God for their great example.

Spiritual Revival

There is much talk these days about the need for a revival of spirituality. The issue is not, however, that we need more of the Spirit. We received the Holy Spirit when we were baptized (Acts 2:38) and He lives within us (1 Corinthians 3:16, 6:19). If there is going to be a spiritual revival, in our individual lives as well as in the church, the Spirit needs more of us!

The Holy Spirit is described as "streams of living water" flowing from within us (John 7:37-39). But in order to experience the power of the Spirit within us, we must thirst for that water (Matthew 5:6). We must allow ourselves to be transformed by the Spirit (2 Corinthians 3:17-18) so that the fruit of the Spirit will be evident in our lives (Galatians 5:22-26).

A true spiritual revival will result in love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control in our lives and in the church. When the Holy Spirit is in control of our lives and our congregations, people will be coming to us, asking us to give the reason for the hope that we have (1 Peter 3:15).

Let us offer our bodies as living sacrifices to God, so the Spirit within us will be free to exercise His power. Put Christ first in your life, pray with confidence, study the Bible regularly, and hunger and thirst after righteousness. If you do these things, not only will you see a spiritual revival within yourself, but the lost souls around you will also be attracted to Christ.

"Never be lacking in zeal, but keep your spiritual fervor, serving the Lord." (Romans 12:11)
