94 Years of Service

In a few days children of ALL ages, races, and cultures will eagerly await the time to unwrap those "magical" gifts with their name attached! They will be given to them by folk who love them dearly! There will be shouts of joy for that grand toy and a few moans of disappointment when that beautifully wrapped box of socks is opened! "Thank you all!", will be heard throughout the room. Of course, there will be that one mysterious gift bringing immediate joy and a lifetime of memories! Memories created in those few minutes are often precious! It is not my intention to deter for a moment the excitement felt by the giver nor the gifted!

Some will use this day to remember in their own unique way the birth of Jesus while others will just be thrilled the day brought together family and friends. It is not my purpose to tell you what you should emphasize on that day, but, please make it a day long to be remembered! Most of us have precious memories of Christmas celebrations as a part of our childhood. It was not the gifts that were so precious, but the memories we made lasting a lifetime!

Linda and I would like to wish all our families and friends a very, very merry Christmas! Our friends have given us gifts of love for decades and we have tried to respond by giving each of you a little bit of ourselves! We would like to give you more, but all we have is ourselves! We have given you a piece of our heart, not just a small part of our time! We would have it no other way!

Be safe, be blessed and be happy!

Love you all, Bill & Linda
