## The Best Place to Live

In 2012, the Gallup Poll listed the most healthy places to live as Lincoln, Nebraska; Boulder, Colorado; and Burlington, Vermont. Even those high levels of well-being do not compare with what God has to offer. Joel suggests that upon returning from captivity the Jews will find a New Jerusalem that flows with wine, milk, and water. Water will spring up from a fountain in the renewed temple to irrigate the earth. The grape harvest will be so plentiful that it will seem as though wine is dripping from the mountains, and milk will be just as plentiful. When these event happen, all will know that God is God.

In a very real way we are awaiting a New Zion. John describes being carried away to a great and high mountain where God showed him the holy city, Jerusalem (Revelation 21:10-11). We are enjoying a foretaste of that city when we gather as brothers and sisters today to worship our God. In Jesus He has made it clear that He is God. We are now awaiting that heavenly Jerusalem ourselves.

Dr. Michael Moss
