Greetings church family, hope the new year has been kind to you thus far. With a new year comes new resolutions on how we plan to make this our year or at the very least, to make it a better year than the one before. Our resolutions often include striving to be healthier, being kinder, finding a new job and others. How often do our resolutions include our faith? How could we possibly include our faith when it comes to being healthier or finding a new job?

It's all too easy to try to take the reins and attempt to be in control of the situations we want to change, but ask yourself this: how much better would it be to include God, not only in the decision-making process, but to include Him all the way through? If anything, we have nothing to lose by including Him along the way, but we stand to gain everything by giving it to Him. So, as we are seeking to fulfill our resolutions, let's try to include God in every part of making ourselves better and see how in return He gives us what we need to be better.

This Sunday's topic is
"Were you There?"

"An old hymn asks, "Were you there when they crucified my Lord?" In this lesson, we'll take time to remember what the Lord Jesus endured as He suffered on the cross. When it comes to the cross, were you there?"

TUNE IN AT 7:30 AM - WTAP TV

Tune in next Sunday morning to see how Phil Sanders addresses this subject. The program airs at 7:30 AM on WTAP TV.
