What Great Things the Lord Has Done

The wonderful story of a demon possessed man concludes with a transformed man who wants to follow Jesus. Jesus is in pagan land when he meets up with a man who has so many demons that he is named Legion. The man could not be shackled even with chains. After casting out the demons and allowing them to go into the two thousand pigs (clearly this is not a Jewish land), the pigs went over the cliff, and the herdsmen reported what had happened to the townspeople. They were amazed to see the man clothed and in his right mind. They were frightened and would send Jesus away.

The man wanted to be a disciple of Jesus. Jesus sends him back home. He tells the man to tell the people what great things the Lord has done for him. It is a bit unusual because Jesus, when in Jewish territory, will frequently tell those he has healed to tell no one.

There is a subtle call for those of us who have come to know Jesus to tell those at home what wonderful things the Lord has done for us.

. Several have asked about how we can help refugees in Ukraine especially those who are Christians. **Healing Hands International** is making it possible to get supplies to them, especially to Christians who have had to leave their country. Assistance is going to those in Poland and other neighboring countries. You can write a check to the church and earmark it "Ukraine" and Dan will see that the funds go to HHI. May God bless these refugees and bring peace to their nation.
