What's Happening for Our Centennial?

by Doug Kashorek

Just seven months from today will begin our 100th year celebration month—May 2024! The finish line is certainly in sight, and so it's time to pick up the pace.

Order forms are out for our second Centennial Store. There are all the hats, hoodies, shirts, and sweatshirts as last time ... but a few new items too. So, check them out! All items plan to be available before Christmas—so this is a great way to help us get word out about 36th Street's ten decades of serving in the Mid-Ohio Valley as well as checking off everyone who's on your list.

A softcover, 100-page, coffee table-style book, detailing the rich history of the first church of Christ in Vienna, WV, will come out just before our celebration month, but a pre-sale certificate of purchase will be available as a stocking stuffer. Be sure to get at least one of the only 200 copies that will be printed.

A mailing to over 250 people who have been connected to our church but are scattered across the country is going out this week to let them know about our store (and how to order items from our website since they are no longer with us) and the pre-sale of the book. We'll also have them save the date for our month-long celebration in May 2024, so that they can plan their vacation around coming home for at least one weekend with us or even for our Centennial Banquet at Grand Pointe (tickets to attend not available until spring).

Speakers from our past will preach the gospel (sometimes featuring technology from the last 100 years), and we'll enjoy special fellowship times throughout the month, but the big culmination will be the last weekend as we honor past song leaders on Friday, May 24, while hosting the Area-Wide sing, our banquet on our Dedication Day, Saturday, May 25, and special services on Sunday, May 26, as we look to our next century.

So ... there's a lot going on for our centennial! How can you be part of our history and our future?

We are looking to obtain any past member addresses for our Centennial Mailings. If you have not already been contacted by Alice Hale for addresses, please let us know of any that you might know of.
