

# Christmas Spent With Family and Friends.

**GEOFFREY, MERU, KENYA**  
**17<sup>TH</sup> JANUARY, 2018**

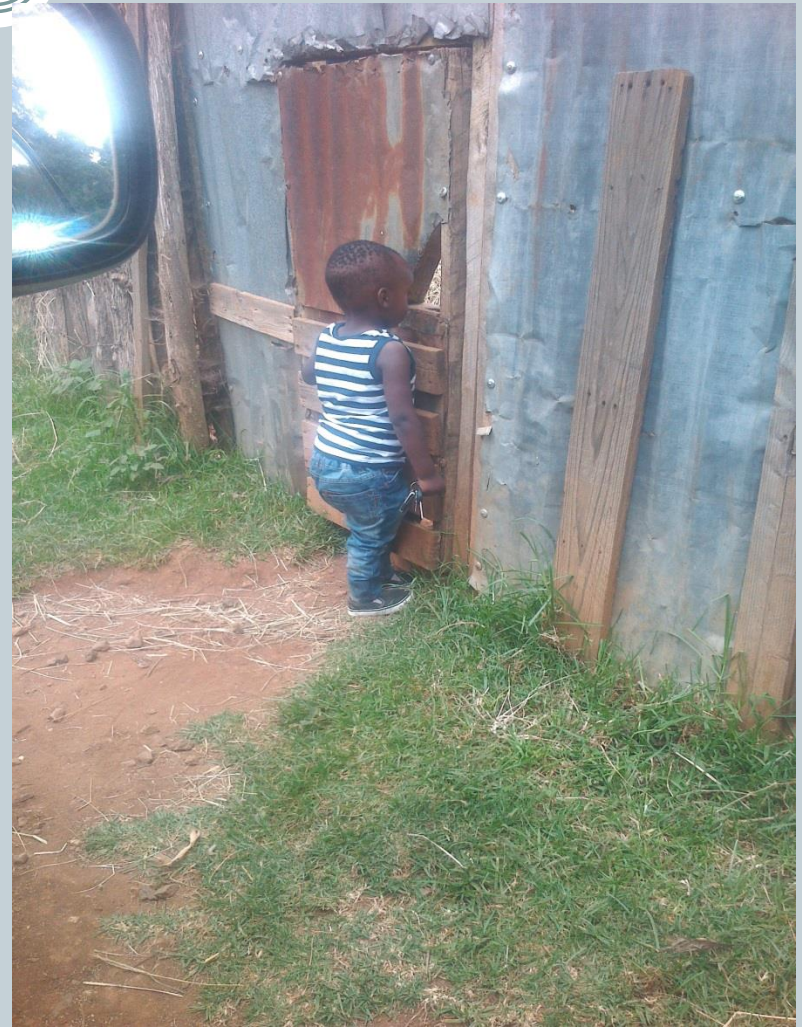

Dear Church,  
Greetings.

I am writing to wish you all a great 2018. Hope you all had fabulous Christmas and New Year holidays.

Thanks to the Christmas gift you gave me, I had a much better holiday with my family this time round! I visited my in-laws, visited my parents, and took my family.

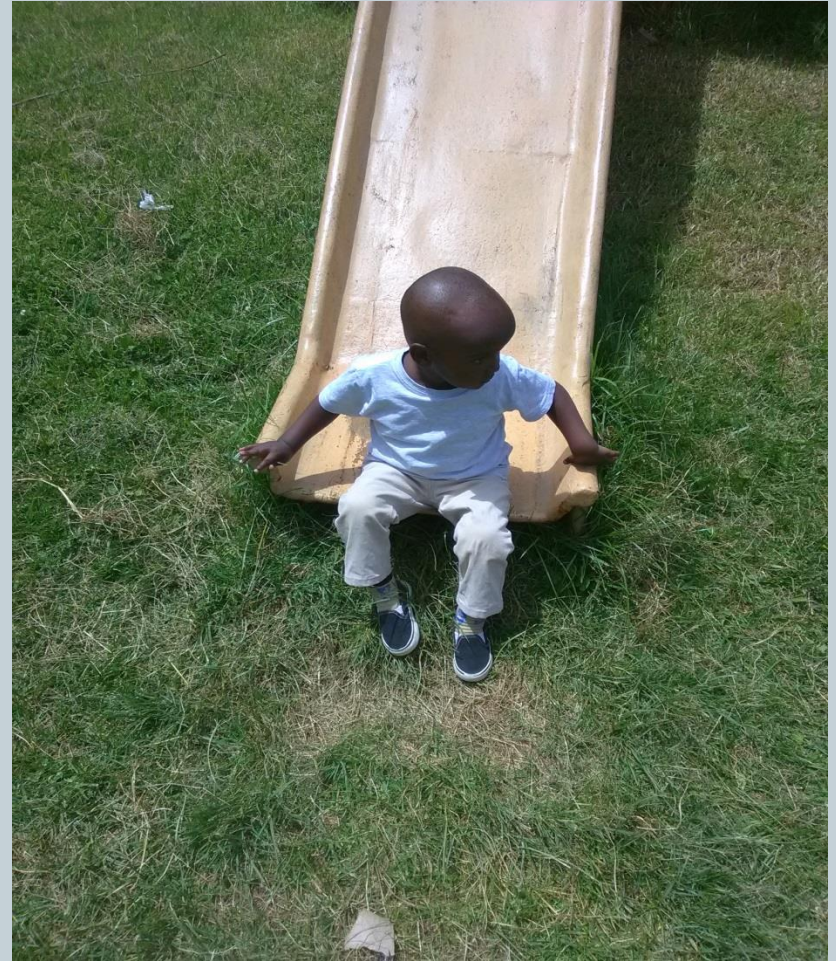

Allow me to share with you some of the many photos we took during our holidays.

at the gate to her maternal  
grandma's gate when we  
visited Maureen's mom.

Jeremiah had paid us a visit. With him (left) is Mwithiga. Mwithiga was homeless until I built this house for him in my home compound here since January 2015. He keeps his chicken in the smaller one on the right.
