

Sunday School For the Kambakia Congregation

Geoffrey, Meru, Kenya
April/May 2016

Kambakia Church of Christ Building/School hall.

◆ The main school hall serves as the Church building for the Kambakia Congregation.

◆ The Congregation has about Ten adult Members. Sometimes, I preach here.

The idea

- ◆ Just like in Gambela, Ethiopia, we agreed with the congregation Preacher of the Church that meets at The Meru school of theology grounds, that there was need for a Sunday school.
- ◆ I suggested we visit neighboring homes inviting kids through their parents for a free Jesus Story movie evening accompanied with a free dinner.
- ◆ After the movie and dinner, the parents/guardians would pick their kids.

Permission granted.

◆ After setting dates for home visits, I talked to the school Principle (Mr. Geoffrey Mutembe) and Requested that I may use some of the school's facilities to host the event. He agreed.

Help on Volunteer basis

- ◆ I volunteered to provide a projector, the movie. (Jesus story in the native language), and the screen (my bedsheet would do).
- ◆ The Congregation agreed to provide drinks and food.
- ◆ The School Principle instructed his kitchen staff to help us with cooking.
- ◆ The School was also to provide all the plates and cups needed.

Volunteer cooks at the school's Kitchen

◆ The two ladies with me are employees of Meru School of Theology.

◆ They are members of the Kitchen staff and also members

of the Church that meets at the school compound.

Kids arrive with their
parents/guardians.

Group photo.

Already Friends.

Some felt at home, others missed home.

Others had better ideas

This guy standing on the right didn't want photos.

...so, he ran off to a tree.

...and climbed.

...he then demanded for a photo,

...and who am I to say no.

...others tried to mess with the girls

This guy in a blue jacket decided to trouble the girl calmly seated on the bench.

...the girl overpowered him and he decided to flee

...the girl ran after him

...he was caught up with,

....spanked, and let go.

Setting up the 'screen'

My bed sheet served as the screen.

Everyone getting seated

Movie time

Serving the children with drinks and food.

We served rice and beans

Everyone had something to eat

....we also served tea with milk and sugar.

Prayer Request

- ① Help us pray for continued Church growth here in Meru.
- ② Last month I requested for prayers for a fellow preacher, Zakayo. God has answers our prayers. He has since regained his health.
- ③ Help us pray that these children will continue attending our kid's meetings and eventually be the Sunday school the Congregation needs.
