

Growing in Faith and Numbers.

Geoffrey Njoroge - Meru, Kenya
October/November 2016.

- Through prayer, Machegene Church of Christ has continued to grow both in Faith and numbers. They have been meeting only on Sunday mornings but am encouraging them to also meet on Wednesday afternoons for a Bible study.
- The young Congregation has also been blessed with a lady who has willingly taken the role of a Sunday School teacher.

Martin and his wife are members of the Macheгене Congregation. We decided to visit with them and find out why they had missed our Sunday service.
