Hello Church,

Thank you very much for giving me the chance to visit and worship with you all the way from 'Michigan'! It was a great honor for me. Thank you for the super warm reception. I am now back home and ready to put to practice the many lessons I took from your leaders and the whole Congregation in general. The cohesion at 36th street Church of Christ absolutely edified me.

...the rains have brought positive changes,

...and destructive floods.

...the seedlings I had planted are gone.

...only the strong trees survived the floods.

...we resolved to plant new tree seedlings.

THANKS AND

BE BLESSED.
